Simple

- ▶ Information is asked for only once as filers are taken through a dynamic interview process.
- ▶ No confusing or extra features that don't add value.
- ▶ Reviewers see asset changes from year to year.
- ▶ Dashboards show the status of filings.

Low Cost

- ▶ After initial setup fees, all services are covered in the low cost, annual, per filer fee.
- ▶ Simple government to government engagement and payment using NTIS' Interagency Agreement process.

Customer Focused

- ▶ We are proud of our customer service and responsiveness—ask for current customer references.
- ▶ We actively seek customer input for improvements and enhancements that make it more intuitive for Filers and Reviewers.
- ▶ Feedback and approval from the FDonline users group ensure requested enhancements add value for all our customers.
